

Yosemite Alpine Community Services District
POB 31, Fish Camp, CA 93623

September 2023 Communication

Thank you to all of our property owners who have sent in their annual payment. They are being processed in a timely manner courtesy of our new treasurer. This is a reminder that Saturday, Sept. 30 is the deadline for the payments to be in the YACSD post office box. Penalties will be assessed on all bills not paid in full by that date.

Lower Silvertip Lane Repaving. You should have received an email earlier this week regarding the upcoming repaving. The paving company will be cleaning and prepping on **Wed., Sept. 27**. On **Thur., Sept. 28** they will be the paving day. PLEASE make plans to stay off the newly paved surface on Sept. 28. Barricades should be up blocking the road and we ask you to please respect them. As the email stated, rental owners please contact your management companies to let your customers know of the importance of staying off the road. The board would like to thank all for their cooperation with this important first improvement to our roadways.

Vegetation Reduction. The trees and bushes have been busy shedding branches and cones. Please plan on clearing your property of vegetative debris. Cal Fire has been busy doing onsite inspections for fire clearances. Please check your front door for their evaluation of your property and follow the direction given to you.

The North Fork Dump has been used by many to dispose of their vegetative debris. Burn season has **not been declared** by Cal Fire. You will need to get a burn permit from Cal Fire prior to burning, burnpermit.fire.ca.gov. The 2023 permit is good thru Dec. 31, which means if you got a permit earlier this year it is still good. You will need to apply for a new permit after January 1, 2024. You still need to call, **888.440.2876**, the day you plan to burn to find out if it is a permitted burn day in Mariposa County.

Snow Season will soon be upon Fish Camp. Please prepare your home for the upcoming low temperatures. PLEASE turn your water off when you will not be in residence, anytime of the year. IF you are in town when snow removal is occurring please remember to park off the streets. IF you are in a home that does not have off street parking and you hear the snow equipment coming and/or hear their horn blasting PLEASE go out and move your vehicle. Otherwise your vehicle will be surrounded by snow. IF that happens, DO NOT dump the snow onto the roadways. Move the snow onto your property so that further expense won't be incurred. Vacation rental owners please let your guests know of the need to be out of the way for the blowers and blade trucks. Thank you.

No Parking Signs. There are signs on many of the roads in Fish Camp that notify us that on-street parking from November 1 – May 1 is not permitted during snow removal season. This is per a Mariposa County Ordinance. This action was taken to help minimize the impact of the visiting snow players to Fish Camp.

Please visit our website. www.yosemitealpinecsd.specialdistrict.org for news about the district and agendas.

Board Vacancy. Currently YACSD has 4 board members. Five members is the optimum number for our board to run smoothly. IF you are interested in volunteering to be on the board please contact Chair Tim McGinty.

Transfer Station hours. Saturdays from 8:00 – 10:00 am at the new firehouse, off of Summit Road, the transfer station is open. You may sign up for an account with the attendant when you bring in your garbage. It may be closed when the county has a holiday.

Next Meeting Date. Saturday, October 28, 2023 at 1:00 pm will be the next YACSD board meeting. It will be held at the Tenaya Lodge and it will also be accessible via ZOOM. Please check the Agenda for ZOOM instructions. Please come and join us at the Tenaya or via ZOOM. This same day the Fish Camp Planning Advisory Council, FCPAC, will meet at 9:30 am and the Fish Camp Volunteer Fire Rescue Association will meet at 11:00ish.

YACSD Board Members.
