

Yosemite Alpine Community Services District  
P.O. Box 31, Fish Camp, CA 93623

February 2019 Communication

**DESIGNATION OF BOARD OFFICERS.** Each year the Board designates its officers (chair, vice chair, secretary, and treasurer). This was delayed to the April board meeting as all 5 board members were not in attendance.

**WELCOME ON BOARD.** Chair Dick Ryon welcomed new board member Tim McGinty to his first meeting board meeting.

**SURVEY OF PROPERTY OWNERS.** District members have received communications from a private individual expressing dissatisfaction with Board actions. The YACSD board will therefore be developing an unbiased survey to go out to all YACSD property owners to discern issues important to District members. Look for this later in the spring. Note that your contact information is private, confidential and is not disclosed by the District to anyone. The individual obtained your contact information from some other source he refuses to disclose.

**DISTRICT WEBSITE DEVELOPMENT.** New board member Tim McGinty has volunteered to look into developing a website where you may find and download u[-to-date information and documents in possession of the District, including agendas, minutes, bylaws and other documents. There are several state laws which must be complied with in the construction and development of a website. Look for a presentation about this new venture at the next YACSD board meeting in April.

**LATE PAYMENT POLICY.** The board is looking into developing a stronger policy to help motivate all to pay their bills in a timelier manner. At this time, there is one vacant lot and one domicile that have not paid their bills that were due in September. Penalties and interest have been assessed to the delinquent parties and bills have been issued.

**SNOW REMOVAL.** Yes, Fish Camp has been getting snow! We appreciate all who are parking off the roads when it is time for the snow removal folks to travel the district and county roads.

**SNOW PLAY IN FISH CAMP.** The Sheriff's department requires the property owner to call in a trespassing call, as was demonstrated recently when a resident called in folks using a portable toilet on another property owner's lot. The snow play folks disregard the yellow police ribbons that are installed at various locations around Fish Camp. With access to the Goat Meadow Snow Play area closed by Yosemite National Park, Fish Camp has become very overrun with snow revelers.

**NEXT BOARD MEETING.** The meeting is set for **Sunday, April 28, 2019, at 10:00 am**, at the Tenaya Lodge.

All Board Members will gladly reply to your expressed questions or concerns. Here is how to contact them.
