

Yosemite Alpine Community Services District
POB 31, Fish Camp, CA 93623

October 2024 Communication

Notices. Please read the October 2024 Winterizing Your Home to prepare for the winter that will soon be here. Please access the district's website for updates and information about happenings in our district. www.yosemitealpinecsd.specialdistrict.org.

Payment of Assessments. Thank you to all who paid their assessments prior to the Sept. 30 deadline.

Sept. 21 Board Meeting. We welcomed Mikael Hastrup onto the YACSD board and thanked him for volunteering. Water Master Tim McGinty reported 15 meters have been installed on properties within YACSD. Three leaks were detected with the new meters, so they are working out nicely. More meters will be ordered to be installed this coming spring. The board is still researching the position of our district's legal counsel. Discussion was held about the possibility of expanding the district to include those further out Forest Drive (Harter's water system) and the costs involved. These costs would be borne by those coming into the district. More research is needed before any decision will be made. Snow removal for the District will be done by Thunder Ridge Company this coming winter.

Vacancy on the Board of Directors. There is still one vacancy on our board. Please consider volunteering for this position. You need to be a registered voter within the boundaries of YACSD. Please contact Tim McGinty if you are interested.

Vegetation Reduction. Burning is not permitted at this time in Mariposa County. You will need to have a permit issued by Cal Fire to burn. Please go to www.burnpermit.fire.ca.gov prior to doing burning and to check if it is a permissible burn day.

Fire Wise Community. The community of Fish Camp is working on obtaining this designation. Please go to www.fishcampfire@outlook.com to find out how to help our community achieve this status that could help lower our insurance rates.

Next Meeting. The next board meeting will be Saturday, January 25, 2025 at 11:00 am in the Tenaya Lodge of Fish Camp. The public is invited to attend and the meeting will also be available via ZOOM.

Your YACSD Board of Directors.
