**BOARD MEETING OF SEPTEMBER 12, 2020.** Resolution 2020-002 was adopted. This covers the filling of vacancies that occur on the district board. The resolution will be Appendix A of the Minutes for the September 12, 2020, meeting and will be posted on the District’s website. The resolution for the development and maintaining the District’s website was tabled to the next meeting to allow for editing for aid in the clarity of the resolution. Tim McGinty will develop a Capital Improvement Plan, CIP, based on data used by Dick Ryon when he developed the budgets, and Tim will present the Plan at the next meeting. Tim will also work on a Reserve Policy based on the Special District’s example. Karen Green is completing the Call 811 registration and the district should be registered by the next meeting.

**THANK YOUs TO OUTGOING BOARD MEMBERS.** Dick Ryon has served the district for many years and his leadership and energy levels have benefitted YACSD. Karen Green has served for one term and her impact on the performance of the district has been appreciated. Both have given many, many hours to the betterment of the district and we as property owners owe them a huge thank you for looking out for all of us and our water rights. They both plan to continue to be involved in the community. **Thank you!**

**WELL #2 WEST REPAIRS** – Water Master Tim McGinty has been working through paperwork from various governmental agencies and is ready to move ahead with the repairs. It will take several days to complete the project.

**VEGETATION REMOVAL.** Now is the time to assess if you’ve done enough to protect your home. Cal Fire personnel have been in the area and are writing notices to have folks further clear their properties.

**YACSD WEBSITE.** Please check the website for information about the District.

**ELECTIONS** - John Hastrup and Karen Glendenning will be elected to the YACSD Board of Directors during the November 3 elections. The directors will take office after the first Friday in December. One property owner has indicated interest in filling the vacancy that will exist come December. The Board will make an appointment to fill the vacancy at their next meeting in December.

**PAYMENT THANK YOUs** – Thank you to all who have paid their annual bills. There are a few more to go and then we'll have everyone paid. Thank you everyone for your cooperation.

**SNOW PARKING** – Yes, snow is coming, just not yet. Please make provisions to park your vehicles off the roads during snow removal season. The snow crews work early in the morning and it makes for a better cleaning if vehicles are not in the roadway. Please do not shovel snow off your vehicle and place it in the roads. This causes the crews to have to rework your area. Rental owners please convey this to your customers and to your rental agency personnel.

**NEXT BOARD MEETING** – The next YACSD board meeting will be Saturday, December 12, 2020, at 10:00 am via ZOOM. Instructions on how to log in will be included on the Agenda for the next meeting and it will also be posted on the district's website. The election of board positions will be held at this meeting.
