POB 31, Fish Camp, CA 93623

Late January 2022 Communication

JAN. 17, 2022 BOARD MEETING. The meeting was held via Zoom due to Covid concerns. Early discussion of the budgets for FY 2022-23 and 2023-24 was held. More solid numbers will be presented at the Jan. 31, 2022 meeting. Funding a Capital Improvement Plan and a Reserve are important components for these budgets. YACSD is looking at updating meters with remote read meters, which will help with leak detection. YACSD will be following the Prop 218 process in developing the budgets. Fish Camp's new District 1 Supervisor Rosemarie Smallcombe attended and participated in the meeting.

WATER LEAK. A thank you goes out to those who contacted Water Master Tim McGinty with a confirmation that all was good at their properties. He has not heard from all of us yet. PLEASE realize that water is precious and that we all need to turn off the water to our homes when we leave. Become familiar with your turn-off valves and use them.
