November 2019 *Communication*

SPECIAL MEETING ON NOVEMBER 2, 2019. The YACSD Board of Directors held a special meeting on Nov. 2, 2019, to address possible litigation. The meeting was convened at 10:01 am, in the Tenaya Lodge. All 5 board members were in attendance, as were 5 members of the public. Public Comment was received from Dale Wohlgemuth regarding the efforts of a group of YACSD property owners who are questioning the actions of the YACSD board.

The board recessed into Closed Session to discuss possible litigation. After 2+ hours of discussion Chair Green reported out of Closed Session, that the board formulated a response to Mr. Wohlgemuth's complaints and is having that response reviewed by legal counsel. The response will be mailed to all YACSD property owners to keep all informed.

WINTERIZING. It has been dipping below freezing already. Please winterize your home to avoid water leaks. Some people turn off their water, drain the system, and set their thermostat where their insurance requires (52-55 degrees usually). Please check the requirements of your insurance policy.

ROADWAY PARKING. Please park off the roadways in Fish Camp during snow removal time. The hard working crews start before 4:00 am to get the roads clear for everyone. The county roads, the post office, and the fire station are cleared first. Non-county roads are cleared afterwards. Clearing to the Snow Play area at Goat Meadow is also performed during snow removal season. This lets the snow players have somewhere to go and enjoy themselves without trespassing on private property.

NEXT YACSD BOARD MEETING. The next regularly scheduled board meeting will be Saturday, January 18, 2020, at 10:00 am, in the Tenaya Lodge of Fish Camp.
